Professional Publications and Presentations

Published and Presented by Jack Poole, PE, Principal

Title, Publication or Location, Date

Compliance with the Life Safety Code, Presentation to the Kansas State Fire Marshal's Office, Topeka, Kansas, August 2008

An In-Depth Look at the 3 Most Common Deficiencies In Health Care Facilities, Presentations to Adult Care Home Staff and Kansas State Fire Marshal's Office Healthcare Staff , Wichita and Topeka, Kansas, June 2008

Understanding The Cross Connection Inspection with Fire Protection Systems, Presentation at the ABPA 3rd Annual Florida Suncoast Chapter Conference in Clearwater, Florida December 2007

Fire Protection Changes in Missouri, Presentation for Missouri Assisted Living Association Fall Conference at Tan-Tar-A Missouri August 2007

Inspection Testing and Maintenance of Fire Protection Systems, NFPA 101 – Residential Board and Care Facilities, Automatic Sprinkler Systems, Fire Alarm Systems. Presentation for the Missouri State Fire Marshal's Office and the Missouri Department of Health and Social Services at Jefferson City, Missouri August 2007

Commercial & Residential Fire Sprinkler Inspection and Plan Review, Presentation at the The University of Texas at Arlington in Arlington, Texas May 2007

Commercial & Residential Fire Sprinkler Inspection and Plan Review, Presentation at the Construction Specification Institute (CSI) Meeting in Topeka, Kansas May 2007

Firestopping – Filling the Gaps Makes a Difference, Presentation at the Argonne National Laboratory in Chicago Illinois April 2007

Title, Publication or Location, Date

The Fire Protection and Life Safety Survey Process in Assisted Living, Presentation at the Nebraska Health Care Association / Nebraska Assisted Living Association in Kearney, Nebraska
April 2007

Fire Suppression Systems & Backflow Preventers, Saving Lives and Property, Presentation at the Region 12 ABPA Nebraska Cross Connection Control Workshop
March 2007

Fire Protection Engineering Saves Lives, A Publication in The Business Journal
February 2007

Fire Systems, Presentation at the Oregon ABPA Annual Seminar in Wilsonville, Oregon
January 2007

Life Safety Code for Long Term Organization, Presentation at the KAHSA Conference in Topeka, Kansas
July 2006

Performance-Based Design for Critical Facilities, Presentation at the 7x24 Exchange Midwest Chapter at Harrah's Casino in Kansas City, Missouri
May 2006

CMS Training Session – Construction Classification, Presentation in Wichita, Kansas
May 2006

The Difference in ITM Requirements between NFPA Standards and OSHA Regulations, Presentation at the DOE Fire Safety Workshop in Augusta, Georgia
April 2006

Fire Protection Engineers – Saving Lives and Property – A publication in The Business Journal
February 2006

A Consultants Look at Fire Safety Processes, Presentation at the 2005 55th Annual Kansas Health Care Association Convention & Trade Show in Overland Park, Kansas
September 2005

I-T-M of Fire Safety, Presentation at the 2005 55th Annual Kansas Health Care Association Convention & Trade Show in Overland Park, Kansas
September 2005

Title, Publication or Location, Date

Inspection, Testing & Maintenance of Fire Safety Systems & Equipment, Presentation at the 2005 Annual Conference Fire Marshal's Association of Missouri in Lake Ozark, Missouri
August 2005

Spray-Applied Fire Resistive Materials (SFRM) - Fireproofing, Presentation at the 2005 DOE/Contractor Fire Protection Workshop in Upton, New York
June 2005

Backflow Protection for Fire Protection Cross Connection, Presentation at the 2005 NFPA World Safety Conference & Exposition in Las Vegas, Nevada
June 2005

Fire Protection and Backflow Prevention Lack of Supervision and Testing, A Publication in the ABPA News Magazine
March/April 2005

Spray-Applied Fireproofing, Presentation at The Flints Hills – Topeka Chapter Construction Specification Institute in Topeka, Kansas
February 2005

The Fire Protection and Life Safety Survey Process in Assisted Living Facilities, Presentation at the 6th Annual Assisted Living/Residential Health Care Conference, in Topeka, Kansas
November 2004

NICET Design Responsibility, Presentation at the Notifier 18th Annual Distributor Conference in Bonita Springs, Florida
October 2004

Design of Fire Alarm and Detection Systems, Presentation at the Missouri – Kansas Chapter International Association of Electrical Inspectors in Kansas City, Missouri
October 2004

Understanding the Hazard in Fire Protection Systems, Presentation at the Pacific Rim Backflow Conference in Honolulu, Hawaii
September 2004

Evolving Backflow Prevention, A publication in the Sprinkler Age Magazine
September 2004

Statement of Conditions and "Code Footprint", Presentation at the Kansas Health Care Association in Overland Park, Kansas
September 2004

The "Blazing" Issues with Fire Protection Systems, Presentation at the 14th Annual TREEO Cross Connection Control Conference in Gainesville, Florida, February 2004

Title, Publication or Location, Date

Understanding Fire Equipment, Presentation at the ABPA International Conference & Tradeshow in Detroit, Michigan
May 2003

New Cross-Connection Control Concepts and Developments within Fire Protection Systems,
A publication in the ABPA News
May 2003

Evaluation of an Engineered Alternative to Spray Applied Fire Resistive Material,
Presentation at the Ohio Chapter of SFPE in Columbus, Ohio
March 2003

The Importance of Backflow Prevention, Presentation at the Johnson County Contractor Licensing December 2002 Education Seminar in Overland Park, Kansas
December 2002

Is There a Cross-Connection Between Fire Protection Systems and Backflow Prevention?, A publication in PM Engineer Magazine
October 2002

Hydraulics of a Fire Protection System, Presentation at the Western Regional Backflow Conference in Las Vegas, Nevada
October, 2002

Backflow Prevention for Fire Protection Systems, Presentation at the 35th Annual Conference & Exhibition for Public Water & Wastewater Systems in Wichita, Kansas
March 2002

Basic Backflow "Bio-Terrorism Protection", Presentation at the ABPA - Region 12, Missouri/Kansas Cross Connection Control Workshop in Lenexa, Kansas
March 2002

Controversy with Fire Sprinkler Systems, Presentation at the TREECO -12th Annual Cross-Connection Control Conference in Gainesville, Florida
February 2002

Fire Modeling Performance Based Codes, Presentation at the 27th Annual Fire and Life Safety Annual Educational Seminar Florida Fire Inspector's Association, Inc. in Ft. Lauderdale, Florida
May 2001

Fire Sprinkler System – How do they work and what is the hazard?, Presentation at the 17th Annual International Conference in Kansas City, Missouri
April 2001

Title, Publication or Location, Date

Fire Protection Backflow Prevention, Presentation at the Utah Salt City ABPA Workshop in Salt Lake City, Utah
March 2001

The Design, Installation and Testing of Automatic Fire Sprinkler Systems, Presentation at the Region 11 ABPA 2001 Conference in Detroit, Michigan
March 2001

Applications of Backflow, Presentation at ABPA Region 11 Conference 2000, Toledo, Ohio
March 2000

Fire Protection Cross Connection Control Requirements for Fire Protection Systems and Round Table Discussion for Installation and Testing of Backflow Prevention Assemblies, Presentation at ABPA Region 11 Conference 2000, Toledo, Ohio
March 2000

Understanding a Fire Suppression System and Its Components, 10th Annual Cross-Connection Conference, Gainesville, Florida
February 2000

Fire Alarm Design Installation and Testing, Presentation for the Kansas Department of Administration Division of Architectural Services, Topeka, Kansas
February 2000

Fire Protection Cross Connection Controls Needs for Fire Protection Systems, Cross Connection Control and National ABPA Update Silver State Chapter of the ABPA, City of North Las Vegas, Nevada
January 2000

Fire Sprinkler Study, Presentation on the AWWARF, Rochester, New York
November 1999

Fire Protection Systems and Backflow Prevention, Presentation for the ABPA Oregon Chapter
November 1999

Building Environments for a Better Tomorrow, Presentation for AIA Kansas/Central States Region Conference, Topeka, Kansas
October 1999

Wet-Pipe Fire Sprinklers and Drinking Water Quality, Journal American Water Works Association (AWWA), Volume 91, Issue 7, Denver, Colorado (with Steven Duranceau and Jacqueline Foster)
July 1999

Title, Publication or Location, Date

Fire Protection during Construction for AMC Facilities, Presentation for MBK Construction Managers Training, Phoenix, Arizona
June 1999

Impact of Wet-Pipe Fire Sprinkler Systems on Drinking Water Quality, First Annual Canadian/American Safe Drinking Water Symposium and Trade Show
Ontario, Canada,
May 1999

Fire Protection and Backflow Prevention, First Annual Canadian/American Safe Drinking Water Symposium and Trade Show
Ontario, Canada,
May 1999

Effects of Wet Pipe Fire Sprinkler Systems on Drinking Water Quality, ABPA Fifteenth Annual International Cross-Connection Control Conference, Hyannis, Massachusetts
April 1999

Design and Operation of Fire Sprinkler Systems, ABPA Fifteenth Annual International Cross-Connection Control Conference, Hyannis, Massachusetts
April 1999

Inspection, Testing and Maintenance of a Fire Sprinkler System, ABPA Fifteenth Annual International Cross-Connection Control Conference, Hyannis, Massachusetts
April 1999

Fire Protection Systems and Backflow Protection, ABPA Region II Educational Conference, Southgate, Michigan
March 1999

Design and Installation of Fire Suppression Systems, ABPA Kansas-Missouri Cross-Connection Control Workshop, American Backflow Prevention Association, Region 12
Lenexa, Kansas
March 1999

Fire Protection and Life Safety for the Safety Managers, Federal Bureau of Prisons, Three-Day Training Seminar, Aurora, Colorado
September 1998

Fire Protection and Cross-Connection Control, ABPA Symposium, Riverside, California
September 1998

Review of the Hydraulics and Working of a Fire Suppression System, Western Regional Symposium, Las Vegas, Nevada
September 1998

Title, Publication or Location, Date

Impact of Wet-Pipe Fire Sprinkler Systems on Drinking Water Quality: Inorganic, Organic and Microbiological Findings, ABPA News, July/August 1998

Review of the Hydraulics and Workings of a Fire Suppression System, and the AWWARF Study, Western States Symposium Association for Cross Connection Control, Orange County Backflow Prevention, Buena, California June 1998.

Backflow Protection of Fire Suppression Systems, Region 6 ABPA Symposium, Los Angeles, California June 1998

Fire Protection and Life Safety on Overview of Design and Installation, Sprint Corporation, Overland Park, Kansas April 1998

Impact of Wet-Pipe Fire Sprinkler Systems on Drinking Water Quality, ABPA Fourteenth Annual Conference, Tempe, Arizona April 1998

Impacts on the Drinking Water Quality from Fire Sprinkler Systems, Region 3 ABPA Conference, Memphis, Tennessee March 1998

Design of Water Supply System for Fire Protection Use, Annual Kansas Rural Water Association Conference, Wichita, Kansas March 1998

Inspection, Testing and Maintenance of Fire Suppression Systems, Missouri ABPA Conference, Springfield, Missouri March 1998

Design of Automatic Sprinkler Systems, Presentation to the State of Kansas, Division of Architectural Services, Topeka, Kansas January 1998

Identify the Risk with Cross-Connections of Fire Protection Systems, December Issue of the Heart of America ABPA Newsletter, Independence, Missouri December 1997

Development of NFPA 520 - Subterranean Spaces, Fall National Fire Protection Association Conference, Kansas City, Missouri November 1997

Title, Publication or Location, Date

Impact of Wet-Pipe Fire Sprinkler Systems on Drinking Water Quality, Fall National Fire Protection Association Conference, Kansas City, Missouri
November 1997

Design, Installation and Testing of a Fire Alarm System, Presentation to the State of Kansas, Division of Architectural Services, Topeka, Kansas
October 1997

Review of the Hydraulics and Working of a Fire Sprinkler System, Region 4 ABPA Symposium, San Antonio, Texas
October 1997

Design and Operation of Fire Sprinkler Systems, Western Regional ABPA Annual Conference, Las Vegas, Nevada
October 1997

Impact of Fire Sprinkler System on Drinking Water Quality, Canadian Cross-Connection Control Conference, Vancouver, Canada
September 1997

The Basics of the Life Safety Code, Presentation to the State of Kansas, Division of Architectural Services, Topeka, Kansas
September 1997

Fire Protection and Life Safety for the Safety Managers, Three-Day Training Seminar, Federal Bureau of Prisons, Aurora, Colorado

Fire Protection and Life Safety for the Safety Managers, Three-Day Training Seminar, Federal Bureau of Prisons, Aurora, Colorado
June 1997

Design, Installation and Testing of Fire Sprinkler Systems, ABPA Region 4 Conference, Dallas, Texas
June 1997

Impact of Wet-Pipe Fire Sprinkler Systems on Drinking Water Quality, ABPA Annual Hawaii Conference, Honolulu, Hawaii
May 1997

Wet-Pipe Fire Sprinkler Systems and Drinking Water Quality, Annual DOE Fire Protection Conference, San Francisco, California
April 1997

The Basics of Automatic Sprinkler Systems, Nebraska ABPA Annual Symposium, Kearney, Nebraska
March 1996

Title, Publication or Location, Date

Design of Automatic Fire Sprinklers, Iowa Annual ABPA Conference, Des Moines, Iowa
March 1996

Concerns of Installing Backflow Prevention Assemblies on Fire Sprinkler Systems, Kansas
Annual ABPA Conference, Topeka, Kansas
March 1996

Fire Protection and Life Safety for the Safety Managers, Federal Bureau of Prisons, Three-
Day Training Seminar, Denver, Colorado
February 1996
